

AIA Houston

A Chapter of the American Institute of Architects

GreenWorks 2 Magazine

AIA Houston and **USGBC Houston** are again partnering with **McGraw-Hill** to publish *GreenWorks 2*, the second publication to promote sustainable initiatives and accomplishments in the region. The magazine will have several heavily illustrated articles concerning events and programs including: initiatives by AIA Houston, USGBC Houston, Galveston/Ike Recovery, LEED AP Directory and more.

This magazine will be mailed to all members of the AIA and USGBC Houston Chapters as well statewide/regional USGBC members. In addition *GreenWorks 2* will be distributed at **Green Build** in Phoenix, the **Texas Society of Architects Convention** in Houston (1,000 copies) and additional distribution at the Gulf Coast Green Conference in April. In all more than 6,000 print copies will be circulated among the A/E/C community! And, this year the magazine will be released in a digital format and placed on Texas Construction's website (www.texas.construction.com) and delivered in the November eNewsletter—in all reaching more than 35,000 individuals digitally. Be apart of this exciting publication and support AIA and USGBC's Green initiatives by advertising in *GreenWorks 2* magazine.
